

Quiz #2

(Due to Position Chiefs on or before Thursday, April 4, 2019)

1. A 24- B 20, A 4/10 @ A-30 with 0:14 in Q4. QB A9 takes the snap and runs toward his own goal line and out of the tackle box. After the snap, all 5 offensive linemen obviously hold the B players in front of them to prevent an immediate rush. QB A9, under pressure, throws the ball high so that it lands beyond the line of scrimmage and out of bounds. When the pass hits the ground, the clock is at 0:00.
2. A 4/10 @ 50. A's punt goes deep into B territory where A attempts to keep the ball from going into the end zone. As the punt bounces, A22 blocks B 44 into the ball which bounces away and hits B48 in the leg. A recovers the loose ball at the B-1.
3. A 4/9 @ A-10. Punt receiver B9 is standing at the B-45 and gives a valid fair catch signal. The ball strikes his shoulder and:
 - a. Bounces high into the air and A89 tackles B9.
 - b. Hits the ground and A89 blocks B9 above the waist. A 19 recovers the loose ball at the 50.
 - c. Bounces immediately and directly out of bounds at the B-45 then A89 blocks B9 above the waist just after the muff.
4. A 4/17 @ A-13. A4's punt is blocked and bounces at the A-16. The ball takes a reverse bounce and is rolling on A-8 when B96 bats the ball into A's end zone. A49 recovers in A's end zone and advances to A-38 where he is downed.
5. A 1/10 @ A-20. Team A is set for one second with three players in the backfield. TE A88 is set on the LOS with his hands on his knees and is covered up by A81. A88 goes in motion and is running in place behind the right guard when the ball is snapped. QB A1 throws a pass towards A88 at the A-30. B58 pushes A88 in the chest prior to the ball arriving, and the pass falls incomplete.
6. A 4/3 @ B-23. After the snap, A82 steps out of bounds @ B-21 and immediately returns inbounds. QB A18 throws a forward pass toward A82. At the B-18, A82 jumps high to catch the pass, but B24 pushes A82 and he does not touch the ball. A88 makes a diving reception @ B-12.
7. A 4/12 @ A-18. A's punt is illegally touched at the B-33 by A1, but B23 fields the punt at the B-30 and runs to the B-35 where he fumbles. The fumble is recovered by A67 who runs for a TD. B90 holds during A67's run.
8. A 3/4 @ B-16. B23 intercepts a pass at the B-3 and his momentum takes him into his end zone. During his return, he is hit and fumbles. The ball rolls into the field of play, and in the scramble it is forced back into the end zone (no new impetus). B23 recovers while grounded in the end zone.
9. A 2/9 @ B-40. QB A11 throws a legal pass toward A88 at the B-30. Just before the pass arrives B44 launches and contacts A88 helmet to helmet. The ball then bounces off of A88's left shoulder and A82 catches it. A82 runs to the B20 where he is tackled. At the snap Team B had 12 players on the field.
10. A 1/10 @ B-35. A20 runs for a touchdown and spikes the ball after crossing the goal line. B elects to have the UNS foul enforced on the ensuing free kick. During a successful kick for PAT, Team B is offside. Team A accepts the penalty and will attempt a 2-point PAT from the B-1.5. Team B's coach wants to elect to take the UNS on the try rather than the kickoff.
