He runs to the B1 where he is pushed out-of-bounds. After the snap slotback A5, on the same side of the field as A14, blocks B7 at the B11 before the pass is thrown and continues this block past the B5. The Back Judge throws a flag for offensive pass interference. After a crew conference the Referee announces, “there is no foul for offensive pass interference, the pass was touched at or behind the line of scrimmage.
